## MCA Sem-6 / IMCA Sem - 10
## Project Review – 1 Guideline for documents

**Submission:** Review- 1

**Review Date:** 20/02/2021

## The following documents must be produced before review panel:

- Presentation of PowerPoint slides Containing details until the **Phase** of the project work.

- Submission of SOFT COPY of the documentation with following details:
    - General Introduction to Team (Group Members Name, Enrolment No., Company, External Guide Name, Internal Guide Name, etc.)
    - Synopsis
    - Project Description (i.e. Problem identification and modules description)
    - Modules included in the project
    - Pictorial representation (All diagrams required to explain the project)
        - Flow-Chart, DFD, Use-Case Diagram, Sequential Diagram
        - Class Diagram, Activity Diagram
        - GUI Designs

        **Note:** Any of the mentioned diagrams as per the Structured (Procedural Oriented) or Object-Oriented Approach is required, it will also depend upon the need of any specific diagram in your project.

    - Database Structure (as applicable)
        - Description of Files or Tables

    - Description of each module in detail

## Note:

- Soft copy of the above documents should be sent to the respective internal project guide through mail at least **2 days prior to the Review.**
- Document file name should be with the following format:
    ***Enrolment No_ProjectTitle_Review No***
- Students are required to bring the Laptop for presentation.
